Combined Offices of the P. W. D. at Bellary. The Suptg. Engineer now recommends that the watchman's pay may be increased to Rs 7 per mensem from 1st September 1899 as he has been directed to water the plants in the compound in addition to his work, and as a separate cooly at 3 annas per diem was hitherto employed for the purpose. The rate proposed not being high may be passed.

Sir,

Enclosures.

I have the honor to inform you that an Estimate for Rs 210 was sanctioned by me for planting avenue trees in the Compound of the Combined offices P. W. D. at Bellary, in which provision was made for watering the plants by a Cooly at 3 annas a day. The Examiner has pointed out that the Charge being a recurring one the sanction of Government is necessary under S. O. No. 331 W dated 2nd February 1899. I have therefore the honor to request that you will be good enough to obtain the sanction of Government for the maintenance of the Cooly from 1st July 1898 to the end of August 1899 at 3 annas per diem. The watchman of the building has been directed to water the plants from 1st September on an increased pay of Rs 7 per mensem for which a separate proposition statement is herewith submitted in place of the one sent with this Office No. 3027 W of 18.8.1899.

I have the honor to be

NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.

2. The column headed "present scale" should invariably show the existing sanctioned scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.
