Rent for quarters for the Supdt. of the Madras Town Wharf

FOR ORDERS.

The Supdt. of the Madras Town Wharf prays for the remission of the rent of Rs 3 which he pays for the quarters occupied by him at the Madras Basin.

2 The grounds on which he applies for remission are that he is obliged to be at the wharf night & day in order to attend to the calls of officers & to regulate the traffic, & that other Lock & Wharf Establishment on the Buckingham Canal are provided with free quarters.

3. The petitioner's case is not on all fours with that of the other Lock & Wharf establishment on the canal inasmuch as the other men get less than 25 Rs & can be provided with

free quarters.

4. The Supdt. of the Madras Town Wharf draws Rs 50 & under para 28 Rule III (c)(2) Chap X Vol. I of the Code he may be charged any suitable rent subject to a minimum of 5 p.c. of his salary provided the amount deducted for rent does not exceed the rental of the building calculated under Code rules.

5. Five per cent of the man's salary is Rs 2½, the normal rent of the building in question being Rs 3.

6. The petitioner's request to be provided with rent-free quarters & to be refunded the amount of rent recovered from him from July 92 is inadmissible. It is submitted that the rent may be reduced to Rs 2½ in consideration of the fact that he is practically compelled to occupy these quarters. The reduction may have effect from the date of the order.

Respected Sir,

I beg to bring to your honor's kind notice that I am stationed day & night at the Madras Town wharf, in the interest of regulating the canal traffic, — maintaining order & peace; — & attending to the call of officers, &c, &c, at any part of the day, or night.

2. A small tiled building, (measuring 30' × 8'), is on this account provided to me as my quarters within the premises of the Divisional Store building.

3. But, the building having been departmentally classified under the head "Provincial",

a monthly house rent of Rs 3-0-0 is being recovered from my pay since July 1892.

4. whereas, the other wharf & Lock Establishments of the canal are all provided with quarters free of rents.

5. Further, this imposition of rent I would not feel heavy on me, if the increase of my pay from Rs 50 to Rs 75, (lately recommended to Government in consideration of the responsible & heavy work I am turning out in the Madras Town wharf), had been sanctioned in G. O. No 3178. W. of 4 November 1896.

6. I, therefore, beg to appeal that the recovery of house rent from my pay for my quarters, against the privileges given to the wharf Establishments of the canal, may be graciously remunerated at least under the shape of a Special Presidency house allowance, if there be no possibility of cancelling the imposition, & refunding the rent recovered from my pay since July 1892.

7. Begging that my humble appeal may meet with your honor's approval, & Sanction,

Copy of letter from Captain J. Lalor: Offg. Executive Engineer, Chingleput Division, to the Supg. Engineer, 5 Circle, No. 177 S.E. dated 17th July 1899 ——

I have the honour to forward herewith an application from the Wharf Superintendent, Madras, praying for the remission of the rent of Rs 3 per mensem which he now pays for the small building occupied by him at the Madras Basin. The grounds on which he solicits exemption are that he is obliged to be at the wharf, night and day, in order to attend to the calls of officers and for regulating the traffic and that other Lock and wharf establishment on the Canal are provided with free quarters.

2. I am of opinion that his case falls clearly under the category of those whose duties compel them to occupy a building erected for the special purpose as contemplated in clause (11) of para 15, Chapter IX Vol: I of the Code and would very strongly recommend the remission sought for.

From Lieutenant-Colonel C. S. LAWSON, R.E., Superintending Engineer, V Circle, to the Chief Engineer, Public Works Department, dated Chepâk, 24th November 1896, No. 365 W.

With reference to your No. 3893 C., dated 5th November 1896, I have the honour to forward copy of letter No. 4192, dated 8th October 1896, which the Executive Engineer, Tanjore division, has requested may be substituted for the letter bearing the same number and date, copy of which was submitted with my No. 325 W., dated 10th October 1896.

Enclosure.

From C. H. T. NORFOR, Esq., Executive Engineer, Tanjore Division, to the Superintending Engineer, V Circle, dated Tanjore, 8th October 1896, No. 4192.

I have the honour to inform you that in the exigencies of the service, and at the request of Colonel Smart, R.E., I transferred the assistant superintendent, on Rs. 25 a month, from the Grand anicut to the Kodamurti regulators, and a member of the Conservancy establishment to the Grand anicut for duty as assistant superintendent.

The pay of the assistant superintendent at the Grand anicut is Rs. 25 a month, and, under G.O., No. 3430 W., dated 18th December 1891, rent should be charged him at 5 per cent. of his pay; as, however, the acting man draws only Rs. 17½ a month, I have recovered (provisionally) from him 5 per cent. of this amount for rent for quarters, or annas 14.

I would, under Public Works Code, Volume I, Chapter X, 28 (iii) (*c*) (1), recommend that all members of the Conservancy establishment drawing less than Rs. 20 a month be allowed to occupy Government quarters free of rent.

My reason for making this recommendation is that such men, for the convenience of their work, are compelled to occupy Government quarters when so provided—which are generally situated in out-of-the-way localities and where there is always a difficulty in procuring provisions—and on their small pay, they can scarcely afford to pay any rent.

Office-note from the Examiner, P.W. Accounts, dated 9th December 1896, No. 4247 D./A.

Order—No. 3660 W., dated 19th December 1896.

The recommendation made in the Executive Engineer's letter, of 8th November 1896, is sanctioned.
