Sir,

I am directed to state that it is proposed to erect a building at an estimated cost of Rs.1,430, from Provincial Funds, for use as quarters for the Hospital Assistant attached to the Police Hospital at Salem. The Hospital Assistant is entitled to -- free

free quarters or compensation in lieu thereof and his salary is Rs.25 per mensem. The rent calculated on the estimated cost of the building works out to Rs.9.51, whereas 8% of the salary of the occupant is Rs.2 only. Private quarters not being available for hire within 200 yards of the hospital, provision of accommodation near the hospital premises becomes necessary. From the accompanying plan, it will be seen that the accommodation proposed is only moderate, and the cost is not susceptible of reduction and is to some extent due to high local rates. In the above circumstances, I am to request the sanction of the Government of India to the proposed expenditure of Rs.1,430 under para 17 (3) Chapter X Volume I of the P. W. Code.

The Chief Engineer
Public Works Department.

Sir,

Sir,
I have the honour to bring to
your notice that an estimate amounting
to Rs 1436 for constructing quarters for the
Civil Hospital Assistant attached to the
Police Hospital at Salem was sanctioned
by me in May last with reference to G.O.
no: 1144 W, and the work has just been
27.4.99
commenced.

The Examiners of P's accounts now point out that the Sanction of Govt of India is necessary for the Construction of the quarters if the Condition laid down in Code I-X-17(i) has not been fulfilled.

It has been ascertained from the District Medical Officer, Salem that a 3rd Class Hospital Assistant on Rs 25 per mensem will usually occupy the building and that he would be allowed no local allowances.

If the rule in Code Vol T, Chap X,
para 176)

were applied the monthly rent exceeds
8 per cent on the salary of the occupant
by Rs 7.2.0 as shown below.

Assuming that the full amount of the
Sanctioned estimate will be spent, the
Capital cost of the building including
10% for establishment &c charges would
be Rs 1573, exclusive of the cost of site, as
it belongs to Government. The monthly
rent calculated on this Capital cost
is Rs 9.2.0 whereas 8% on the salary
of the occupant is only Rs 2-0-0.

Orders are requested as to
whether the Construction of the
quarters may be proceeded with
in anticipation of sanction to the
Estimate by Government of India.

I have the honour to be,
Yours most ^{dr} obedt^t ST.

Suptg Engineer MChile
