OCTOBER.

Repairs to Rain-gauge Pillars

Stating, in explanation of paragraph 2 of G.O., No. 204 W., dated 21st January 1899, that debits on account of — carried out by the Revenue Department during the years 1898-99 and 1899-1900, should be accepted by the Public Works Department.

Read the following:—

2

No. 2835 W., 27TH OCTOBER 1899.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

READ—the following paper:—

From G. F. HANDCOCK, Esq., Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, dated 18th August 1899, No. 5407.

The Collector of Bellary in his letter, Ref. on C. Nos. 1591 and 992, dated 7th instant, copy herewith, has asked me to allot funds for repairs to rain-gauge pillars in the Taluk cutcherry at Hadagalli and Deputy Tahsildar's cutcherry at Yemmiganuru. In both cases the repairs, according to the Collector's statement, can be executed locally under the supervision of the Revenue officers. Allotment of funds by the Public Works Department, in the circumstances, seems, therefore, unnecessary.

2. Paragraph 2 of G.O., No. 204 W., dated 21st January 1899, has, I think, reference only to such repair works as are entrusted to Public Works Department at the discretion of the Collector.

3. I have the honour to request you will be good enough to obtain an authoritative ruling on the subject.

ENCLOSURE.

From E. A. ELWIN, Esq., I.C.S., Acting Collector of Bellary, to the Executive Engineer, Bellary Division, dated 7th August 1899, Ref. on C. Nos. 1591 and 992.

The Tahsildar of Hadagalli reports that the fence round the rain-gauge in front of the Taluk office requires repairs costing about Rs. 4. The Deputy Tahsildar, Yemmiganuru, also has submitted an estimate for Rs. 12-8-0 for repairing the fence of the rain-gauge attached to his office building. The repairs in both the cases are considered necessary and can be executed locally under the supervision of the Revenue officers. As under paragraph 2 of G.O., No. 204 W., dated 21st January 1899, the cost of such works has, till the year 1900-1901, to be met from funds at the disposal of the Public Works Department, I have the honour to request that you will be good enough to provide funds for the execution of the repairs in question during the current official year.

No. 3280 W.

Copy forwarded to the Chief Engineer, Public Works Department, for favour of orders.

(Signed) W. L. C. BADDELEY, Lieut.-Col., R.E.,
Supg. Engineer, III Circle.

8th September 1899.

ORDER—No. 2835 W., dated 27th October 1899.

Paragraph 2 of G.O., No. 204 W., dated 21st January 1899, has reference also to repair works carried out by the Revenue Department. Debits on account of such repairs carried out by the Collector during the years specified, should be accepted by the Public Works Department.
