NOTES.

Reference to P. W. D. Code.

Chapter I, Para. 30.

Tabular Statement to accompany proposals for changes in establishments.

1. All proposals for changes in the scales of permanent establishments must be accompanied by a statement in Part I of this form when the changes relate to the engineer or upper subordinate establishments and in other cases by a statement in Part II of this form.
2. The column headed "present scale" should invariably show the existing *sanctioned* scale (not the strength of the establishment as it actually stands at the time), and should be verified by the Examiner before the statements are forwarded to the sanctioning authority.

Enclosures. One

SIR,

I have the honor to submit herewith a proposition statement for the employment of a survey lascar from 1-4-99 to 31-3-99 at Rs 64 per mensem under a Sub. Overseer in the Godavari Control Division and to request that the sanction of Government may be obtained.

2. The necessity for the extra lascar is explained in the remark column of the statement.
3. As the lascar appears to have been employed upon general duties, the Examiner is averse to the usual procedure of the man's pay being shared to works.
4. The request is in my opinion a perfect

perfectly reasonable one.

I have the honor to be

Sir,
