READ—the following paper :—

From G. F. HANDCOCK, Esq., Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, dated 3rd October 1899, No. 6640.

With reference to your endorsement No. 3570, dated 28th ultimo, I have the honour to point out that paragraph 5 of G.O., No. 2368 W., dated 8th idem, which is said to cover the present case, does not specify that the increase in the case of temporary peons should take retrospective effect from 1st August 1898 as has been done in the case of permanent peons.

2. G.O., No. 1489 W., dated 8th June 1899, which sanctions increase of pay to temporary peons on personal attendance on officers and subordinates from 1st April 1899, has not apparently been cancelled by the order quoted in paragraph 1 and may therefore be held to be still in force. But the claim referred to by this office relates to August, September and October 1898 and requires the sanction of Government.
