20 "September 1899

I have the honour to submit herewith an application from the Mahant of Tirupati requesting that the fact of his having contributed Rs.77,000. to the Tirupati Water Works may be inscribed on a stone at the service reservoir and also on one at the Head Works, and to recommend that the Mahant's request may be granted when the last instalment of the promised contribution has been paid, but not before. Of the amount referred to above, Rs.36,000 have been paid and the balance is payable in annual instalments of Rs.12,000 each. Government is aware that I had some difficulty in collecting these contributions.

ORDER, No. 1527 M.Mis., dated 16th October 1899.

As recommended by the Collector, the request of the Mahant of Tirupati should be complied with, when the last instalment of the promised contribution has been paid by him.
