FURTHER PAPERS.

Copy of Letter Dated 13-7-29 from Mr. R. Dy.
Sd/- Venkataramana Nijar, Muzab. B. N. B. S.
Assistant Engineer in Charge of Chaprad
Project, to the Superintending Engineer
III Field Bellary.

29 SEP 1899

I have the honour to bring to your notice that a sum of Rs. 4-0-0, was disallowed by the Examiners, out of my Granting Allowance for January 1899, under the following circumstances:-

I held Charge of the Juddapah Division
 from 11th to 14th January 1899. Both days inclusive,
 and for these four days, I claimed a daily
 allowance of Rs. 5, which is the amount
 admissible to an Assistant Engineer holding
 Charge of a Division. The claim preferred by
 me was passed by the Controlling Officers, and
 the amount was also paid. The Examiner, on
 the ground that there is no notification in the
 Gazette, appointing me for Charge of the Division,
 has passed a daily allowance of only Rs. 4-0-0
 for the period in question, and has disallowed
 Rs. 4-0-0.

2. I do not know if there is any rule to the effect that the posting of an officer for charge of a Division, should be notified in the Gazette. When I held charge of the Krishna

Western Division in August 1896, there was no notification in the Gazette looking me for change of the Division, but my daily allowance was not reduced on that account.

3. I was under the impression that the Executive Engineer, Fedolapah Division, would have taken up the matter himself, as the Dis. allowance list was communicated to me from his office only for information. As he does not appear to have done so, I have referred the matter to you for such action as you deem necessary.

3497 W Dated 18 September 1899

Copy forwarded to the Chief Engineer B.W.D for favour of orders.

The Assistant Engineer wrote this letter at my suggestion as there is a point of general interest to Assistant Engineers to be decided.

The question is whether an Assistant Engineer doing the duty of an Executive Engineer in charge of a Division can draw Rs. 5 (the daily allowance of an Executive Engineer) as daily allowance.

The undersigned is of opinion that he can, and as pointed out by the Assistant Engineer, the Examiner's office has already

passed the higher scale of daily allowance to the same officer, under precisely similar circumstances in which it is now referred.

I was under the impression that the Executive Engineer, Fedolapah Division would have taken up the matter himself, as the Dis. allowance list was communicated to me from his office only for information. As he does not appear to have done so, I have referred the matter to you for such action as you deem necessary.

No. 1181 $\frac{A}{2}$ dated 7th October 1899.
To
W.

In P.W.D. Notification No. 6
published in part I of the Fort St: --
George Gazette dated 24th: January 1899,
Mr. J.C. Johnston Executive Engineer --
Kurnool Division was appointed to hold
charge of the Cuddapah Division in ad-
dition to his own duties during the ab-
sence of Mr. A.H. Morin on privilege leave

SUBJECT.
Daily allowance to
an Assistant Engineer
holding charge of a
Division:
Requesting to be
informed the rate of.

BACK PAPERS.

No.	Date.
2.	Mr. Morin however handed over charge of the Division to Mr. L.D. -- Venkataramier Assistant Engineer who conducted the work for 4 days pending the arrival of Mr. J.C. Johnston, and in the absence of any orders of -- Government, the case was treated as one of a junior officer falling into the charge of the higher duties by reason of the sudden absence of the higher officer Vide Code II.II.242..
3.	The higher rate of daily allowance will however be passed to the - Assistant Engineer if authorised by Government on the issue of an order similar to that in G.O.No.917 W dated 25th: March 1899.
