READ—the following papers :—

From G. S. T. HARRIS, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated 12th January 1899, No. 3194.

I have the honour to inform you that in G.O., No. 1540 W., dated the 20th June 1898, orders were given to carry out drainage works, &c., to the Hospital Assistants' quarters attached to the Maternity and Ophthalmic Hospitals, estimate Rs. 403. It was found necessary on requisition by the Superintendent of Ophthalmic Hospital to sanction another estimate for Rs. 387 for providing iron bars to the windows, &c. As the rental value is increased by over 8 per cent. by these improvements, I request you will be good enough to obtain the sanction of the Government of India to the extra outlay incurred against the capital cost of these buildings.

From G. S. T. HARRIS, Esq., Consulting Architect to the Government of Madras, to the Chief Engineer, Public Works Department, dated 2nd February 1899, No. 3444.

With reference to memo. No. 547 C., dated 25th January 1899, I have the honour to inform that the rent of Hospital Assistants' quarters at Maternity and Ophthalmic Hospitals is Rs. 24 per mensem as sanctioned in G.O., No. 2755 W., dated 5th October 1897, and which is considerably in excess of 8 per cent. of the salary of the usual occupants.

2. The iron bars were provided to the buildings on requisitions from the Superintendents of the hospitals.

Office-note from the Examiner, Public Works Accounts, dated Madras, 27th April 1899, No. 1300 B./A.

[Your office-note, No. 1719 C., of 21st March 1899.]

Sanction to the estimate accorded in G.O., No. 773 W., of 3rd March 1896, was admitted in audit, as, until receipt of G.O., No. 1482 W., of 31st May 1897, this office apparently was also under the impression that the limit prescribed in Public Works Department Code I, X, 17 (1) did not apply to rent-free quarters. Please see my office-note, No. 785 C., of 30th October 1896.

2. The following estimates for rent-free quarters sanctioned since the date of the revised rent rules (Government of India No. 479 B. of 7th September 1888, printed with G.O., No. 2981 W., of 22nd September 1888) would also require India's approval :—

Name of building.	Amount of estimate.	Authority.

1. Quarters for the clerks and servants attached to the Deputy Tahsildar's office at Yerkaud, Salem division.	4,250	No. 2084 W., dated 3rd August 1891. No. 3085 W., dated 29th November 1893.	Completed.
2. Improvements to Sergeant's quarters, General Hospital, Madras (Consulting Architect Division).	6,232	No. 1205 W., dated 30th April 1891.	Completed.
3. Improvements to Resident Surgeon's quarters, General Hospital, Madras (Consulting Architect Division).	14,182	No. 1205 W., dated 30th April 1891. No. 2358 W., dated 25th August 1892.	Completed.
4. Converting quarters of the head nurse into one for the Matron Superintendent at General Hospital, Madras (Consulting Architect Division).	5,910	No. 2060 W., dated 31st July 1891.	Completed.
5. New quarters for native nurses in the Lying-in Hospital, Madras (Consulting Architect Division).	5,460	No. 526 W., dated 19th February 1892.	Completed.
6. Day and night quarters for the apothecary on duty at General Hospital, Madras (Consulting Architect Division).	8,390	No. 2529 W., dated 1st September 1896.	Completed.
7. Quarters for the Police Hospital Assistants, Palamcottah, Tinnevelly Division.	2,320	No. 22 of 1896–97 ..	Not yet commenced
8. Assistant Jailor's quarters, Berhampur, Ganjám Division ..	2,400	No. 71 of 1897-98 ..	In progress.

Office-note from the Examiner, Public Works Accounts, dated Madras, 19th July 1899, No. 896 A./A.

I think it will be sufficient to apply for the sanction of Government of India for rent-free residences which were sanctioned subsequent to the date of G.O., No. 1482 W., dated 31st May 1897, communicating India's orders.

From Lieutenant-Colonel O. V. BODDY, R.E., Superintending Engineer, VI Circle, to the Chief Engineer, Public Works Department, dated Trichinopoly, 15th August 1899, No. 620 T.N.

With reference to your memo. No. 3379 C., dated 8th August 1899, I have the honour to inform you that the Executive Engineer, Tinnevelly division, has been asked to submit a copy of the plan of the proposed quarters for the Police Hospital Assistant at Palamcottah, estimate Rs. 2,320, sanctioned by this office, but I wish to point out that a revised estimate for the work has been called for in G.O., No. 539 W., dated 21st February 1899.

From W. C. DEMORGAN, Esq., M.I.C.E., Superintending Engineer, I Circle, to the Chief Engineer, Public Works Department, dated Camp, Cocanada, 24th August 1899, No. 800 G.N.

With reference to memo. No. 3379 C., dated 8th August 1899, I have the honour to forward plan of the Assistant Jailor's quarters at Berhampur.

2. The plan and estimate were called for at the instance of the Inspector-General of Prisons who recommended the reconstruction of the quarters with the addition of bath-room, latrine and kitchen. There is no standard plan of such quarters and the design was prepared in consultation with the Superintendent of the Jail, as nearly as possible on the lines of the old building with the additions mentioned above.

3. The plan and estimate were approved by the Inspector-General of Prisons.

4. It would be impossible to construct such a building for less than the estimated amount; still less for Rs. 450, the relative cost with reference to the pay of an Assistant Jailor which is Rs. 30 to 40.

5. The work has been completed with an expenditure of Rs. 2,233, and I have the honour to request that sanction of Government of India may be obtained.

ORDER—No. 2920 W., dated 3rd November 1899.

It would appear from the correspondence recorded above that the outlay incurred on the following buildings has exceeded the admissible capital cost under Rule I, paragraph 17, Chapter X, Volume I, of the Public Works Code :—

	RS.
(*a*) Constructing drains, laying Red Hills service pipes and providing iron bars to windows to the Hospital Assistants' quarters attached to the Ophthalmic and Maternity Hospitals, Madras (outlay during 1898–99)	691
(*b*) Assistant Jailor's quarters at Berhampur	2,233

2. As the Examiner, in his office-note No. 941 A./A., dated 28th July 1899, has expressed his opinion that when once a residence has been built or purchased, an excess over the estimated cost caused by ordinary expenditure essential to the building may be passed by this Government without reference to the Government of India, he is authorised to admit the outlay of Rs. 691 incurred on item (*a*).

3. The sanction of the Government of India to the expenditure on item (*b*) is necessary and will accordingly be applied for.

4. The special attention of the officers of the Public Works Department is drawn to paragraph 2 of the Government of India's letter recorded with G.O., No. 1482 W., dated 31st May 1897, in which no difference is made between buildings let for rent and rent-free buildings with respect to the authority competent to sanction expenditure.

THE JOINT SECRETARY TO THE GOVERNMENT OF INDIA,
PUBLIC WORKS DEPARTMENT.

SIR,

I am directed to request the sanction of the Government of India under Rule 3, paragraph 17, Chapter X, Volume I, of the Public Works Code to the expenditure from Provincial funds of a sum of Rs. 2,233, on the provision of quarters for the Assistant Jailor at Berhampur. This was a minor work undertaken and executed by the Superintending Engineer. The salary of the occupant in this case is Rs. 30 to 40 per mensem, and the outlay i[illegible] exceeds the limit of capital cost admissible under Code rules. The need for the sanction of the Government of India to the expenditure was overlooked at the time, and I am to request that it may now be obtained. A plan of the building accompanies this letter.

3. I am also to inquire whether it is necessary when once the necessity for the construction of a residence at Government cost has been established and the initial capital outlay sanctioned by the Government of India, subsequent proposals for additions and alterations thereto should receive the sanction of that Government. SIR,

With reference to Memorandum No. 3379 C, of 8th August 99, I have the honor to forward plan of the Assistant Jailor's Quarters at Berhampur.

2. The plan and estimate were called for at the instance of the Inspector-General of Prisons who recommended the reconstruction of the quarters with the addition of bath room, Latrine and kitchen. There is no standard plan of such quarters and the design was prepared in consultation with the Superintendent of the Jail, as nearly as possible on the lines of the old building with the additions mentioned above.

3. The plan and estimate were approv

by

by the Inspector General of Prisons.

4. It would be impossible to construct such a building for less than the estimated amount; still less than for Rs 450/. the relative cost with reference to the pay of an Assistant Jailor which is Rs 30 to 40.

5. The work has been completed with an expenditure of Rs 2,233, and I have the honour to request that sanction of Government of India may be obtained.

I have the honor to be
