THE

Chief Engineer

P. W. Department,

Madras.

Sir,

Enclosures.

I have the honor to inform you that during my inspection of the Kairnool Division in December 1898, I found that the old Range Office and Store shed at Camburn were dangerously ruined and ordered them to be pulled down and the site cleared. I therefore request you will be good enough to obtain the sanction of Government for their demolition as per P. W. Code Vol. I Chapter X para 20.

Chapter Δ para 20.

2. The Exe. Engineer reports that the buildings had been gradually falling to pieces for the last ten years, but were patched up till the completion of the new Tools shed. The buildings came down of themselves some time before my inspection.

I have the honour to be,

Sir,

Your most obedient servant,

Wm Bordening Lieut Col. 1st Regt.

Deputy Engineer, III Circle.
