Proceedings of the Court of Wards,

Dated 5th October 1899.

No. 1424 Misc.

The Hon. Mr. J. Hurrock

~~Read~~ Read the following letter from W.O. Horne Esquire, Collector of Vizagapatam, to the Secretary to the Court of Wards, Madras, dated 15th September 1899, NO. 719.

In continuation of my letter Dis NO. 318 dated 6th May 1899 disposed of in Court's Proceedings NO. 726 Misc, dated 3rd June 1899 I have the honour to forward herewith a list of irrigation works in the Kasinkota estate proposed to be executed by the Public Works Department during 1899-1900 (Fasli 1309). The list supersedes the one printed in Government Order NO. 1169-W, dated 2nd May 1899 communicated with Court's Proceedings NO. 765 Mis, dated 12th June 1899. The Executive Engineer says that though the present list amounts to Rs. 20,000/- the cost of the works together with the usual percentage for establishment charges will be restricted to that amount. Of this amount, Rs. 6150/- have already been placed at the disposal of the Public Works Department under Court's Proceedings NO. 190 Misc, dated 15th February 1899 and a further sum of Rs. 9729-4-10 was ordered in Court's Proceedings NO. 1158 Misc, dated 23rd August 1899 to be placed at the credit of the Public Works Department. I request the Court's sanction for the balance of Rs. 4120-11-2 being placed at the disposal of that department.

2. The cost of the irrigation survey sanctioned in Court's

Proceedings

Proceedings NO.1162 Misc, dated 24th August last, will be met if possible from the allotment of Rs.20,000/-. I am in correspondence with the Executive Engineer on the subject, and if necessary an application will be made for an additional allotment.

Resolution.

Recorded.

2. The information contained in the list is very meagre especially in regard to item 4 for which Rs.4000/- have been provided. The present ayakat under each irrigation work and the income derived therefrom should have been stated as also the prospective increase in revenue or saving anticipated.
3. The balance of Rs.4120-11-2 may be placed at the disposal of the Public Works Department.
