Proceedings of the Public Works Department, No. 2033 W.,

dated 3rd August 1899.

ORDER :—No. 1207, dated 25th October 1899.

Communicated to the Surgeon-General, with reference to the items in the list which relate to the Medical Department.

2. With reference to the remarks ^{against} item 88, Class B, the attention of the Public Works Department will be drawn to the fact that the orders cancelled by G.O. No. 868, Public, dated 3rd July 1897 (as modified by G.O. No. 1000 Public, dated 27th July 1897) were paragraph 1 of G.O. No. 204 Public, dated 8th February 1896, and para 1 of G.O.

No. 1340, Public, dated 19th December 1896, both of which paragraphs related to the provision of accommodation for the Assistant Matron, General Hospital, Madras. In the orders quoted in the margin, the conversion of the Hobart, Argyle and Dufferin wards into cubicles for nurses was ordered to stand over until the Station Hospital had been vacated by the military authorities. The Surgeon-General will now be requested to report as to the necessity for this work.

3. The Surgeon-General will also be requested to submit his views with reference to the works mentioned in items 90, 92 & 125, Class B, of the Statement. The plans and estimates for the construction of quarters for the Resident Physician, General Hospital,

Orders on the subject were passed in G.O.No.604, Public, dated 28th April 1898, but the question of quarters was not then revived. So much time having since elapsed, the Government considers it desirable, before proceeding further in the matter, to have the Surgeon-General's opinion as to the present necessity for the quarters.
