Copy of letter from H. A. Moss Esquire, General
Superintendent, R. W. Stores, to the Suptg Engineer
Circle, No 98 St. V. dated 5th September 1899:-

With reference to your endorsement No. 298 P.W.S. dated 4th August 1899 on Chief Engineer Memo No. 3284.C., I have the honour to report that the locks locally purchased are only ordinary locks and not Chubb's padlocks which are generally supplied by the Stationery office; as ordered in your No. 29 P.W.S. dated 22nd January 1899 a small supply of locks were purchased and kept in stock to meet urgent demands.

The workshop is now making locks and will soon be independent of the local market. The orders about getting padlocks from the Stationery office refer I presume only to Chubb's padlocks received from home. The order contained in yours of 29 B.W.S. should in my opinion be allowed to stand.

To the Chief Engineer, P.W. Department,
