SIR,

I have the honor to bring to your notice that the outhouses of the Range Office at Vizianagram not having been repaired for some time, have become so delapidated as to be not worth repairing. The roof has fallen in, and the mud walls are much damaged by rain.

2

In anticipation of the sanction of Govt (vide I, 34.20) the building was lately dismantled and an estimate of Rs 610 sanctioned for rebuilding it.

3

The outhouses were used as store room watchman's shed and stables.

4.

I have therefore the honor to request the sanction of Govt. be obtained for

dis mantlement of the old building.
