PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following papers:—

From the President, District Board, Cuddapah, No.935/D.B., dated 23rd August 1899, recommending the appointment of M.R.Ry.A.Kachap-seswara Aiyar as a member of the District Board, vice Mr.A.H.Morin resigned.

From the same officer, Ref.No.935/D.B., dated 4th October 1899, Govt.

With reference to Memorandum No.1009, dated 26th September 1889, Local and Municipal, I have the honour to state that ever since the date (23-11-97) of Mr.Morin's appointment as member, he has not attended a single meeting. On my asking him to report the circumstances under which he could not attend, he informed me that when appointing him as member his consent was not taken and that his name might be removed from the list of members. Copies of my letter Current No.935/D.B., dated 8th June 1899 and his reply No.1159, dated 20th June 1899 are enclosed for perusal.

As his head quarters are at Madanapalle and mine at Cuddapah it will rarely happen that he will be in Cuddapah on a meeting date and his presence at a meeting will rarely be of sufficient importance to justify dislocating his other work for 3 or 4 days to come here and return. I therefore thought his resignation might be accepted.

Enclosure.

Copy of letter No.1159, dated 20th June 1899, from the Executive Engineer, Cuddapah Division, to the President, District Board, Cuddapah.

With reference to your No.935, dated 15th June 1899, I have the honour

honour to inform you that I was never asked, if I was willing to be appointed a member of the District Board. It has always happened that I have been away somewhere in camp while meetings have taken place at Cuddapah or Madanapalle and I do not consider my presence of sufficient importance to warrant alteration of my arrangements in order to attend meetings.

You are quite at liberty to remove my name from the list of members.

OEDHE. No.2297 L.Mis., dated 13th November 1899.

Under G.O.No.921 M., dated 25th May 1892, Mr.Morin's consent to serve on the District Board was unnecessary. The Government is unable to recognise his resignation of his membership on the ground that his attendance at its meetings is not of sufficient importance to warrant alteration in his circuit arrangements. He should find time to attend the meetings of the Board as often as possible and give it such assistance as may be in his power. Mr.Morin will therefore be now re-appointed as a member of the District Board.
