Note

[P. W. 4.

NOTE. The estimates are petty and do not require scrutiny in the Chief Engineer's Office.

2. In para 2 of his office note read at the head of the draft G.O., the Examiner remarks that if the total expenditure on Government House, Ootacamund, during the current year be not kept within the provision of Rs.30,000 made for the purpose in the Provincial Civil Works budget, all proposals for expenditure on this Government House will require to be submitted to India for approval. The estimate for Ball room has been sent to India for sanction. It is doubtful whether the total expenditure in the current year will exceed Rs. 30,000+. If it does so, the requisite sanction of India may be obtained later on.

3. As there are no funds in reserve, it is proposed to withdraw Rs.416 from the grant of Rs.25,000 for additions to Govt. House, Ootacamund, and allot it for the works now sanctioned.
