FURTHER PAPERS.

Judicial Department

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following paper:-

From the Government Agent, Godavari, D.Dis.No.391/
Agency of 99, dated 18th October 1899:-

With reference to paragraph 3 of G.O No.493,
Judicial, dated 5th April 1897 and in continuation of this
office letter R.C. No.560/Ag. of 98, dated 10th January 1899
recorded in G.O.No.97 R, dated 21-3-99, I have the honour to
report that the trial well at the foot of the Kademma Hill
at Polavaram having partly fallen in, owing to the flow of
surface drainage and the Godavari floods in 1898, a small pit
in it was dug in the current year so that a sample of the
water might be sent to the Chemical Examiner. The pit was
lealed out and the clear water that has subsequently
settled has been forwarded to the Chemical Examiner. A copy
of his analysis of the sample water is enclosed. He finds the
water is "rather hard otherwise usable!"

2. The depth of the small pit is reported to be 10
feet and of the water in it 2 feet.

O R D E R:-No.1843, dated 17th November 1899.

The sites selected for the construction of the
buildings required for the office and residence of the Special
Assistant Agent at Polavaram are approved.

2. The Public Works Department will now be requested
to submit the plans and estimates called for in the orders.

G.O.No.493, dated 5th April 1897.
