Chief Engineer
Public Works Department.

SIR,

Enclosures.

SIR,

I have the honor to bring to your notice that owing to the excessive work in the drawing branch of the District Northern Division office Captain Ellis R. E. Executive Engineer has submitted a proposition statement for an additional draftsman to be employed in the preparation of plans and estimates of the projects in the bepland taluqs of the Division.

2. Instead of applying for sanction for an additional temporary draftsman, I have transferred to the Shikhar Northern Division from the Shikhar Western Division a temporary draftsman at Rs 30 to do duty for few months in the former Division.

3. The draftsman was received in the Shikhar Western Division on the afternoon of the 15th November 1908 and joined the Shikhar Northern Division on the afternoon of the 16th idem.

4. In these circumstances, I request you will be
so good as to obtain the sanction of Government
to the transit pay of draftsmen for one day while
travelled from Ghent to Bezhada

I have the honor to be
Sir,
your most obedient servant.

At amuse
Superintending Engineer H. M. H.
