ORDER—No. 3131 W., dated 1st December 1899.

Ordered that the schedule of requirements for 1900–1901, on account of Imperial Civil works, be forwarded to the Government of India.

2. The Director-General of Telegraphs has reported that no major works are to be carried out for his department during the ensuing year, while the Director-General of the Post Office of India has entered in his schedule of requirements a sum of Rs. 850 as the telegraph share of the cost of constructing a combined Post and Telegraph office at Palghat. This amount has been included in the consolidated schedule.

3. The Consulting Architect states that the estimates for the additional works to be carried * out in connection with the Observatory buildings at Kodaikánal are under preparation and that there is no probability of the whole of the current year's grants for these buildings being utilized. He accordingly surrenders a sum of Rs. 5,000 which will separately be replaced at the disposal of the Government of India. An equivalent amount has been entered in the schedule of requirements for next year.

* Letter from the Government of India, No. 712 C.W.B., dated 13th July 1899 (G.O., No. 2167 W., dated 15th August 1899.)

4. The Superintending Engineers, IV and V Circles, will submit at an early date estimates for items 2 and 3.

5. An estimate for item 1 is said to have been received by the Director-General of the Post Office of India, who is requested to countersign the same and forward it for the sanction of this Government.
