it may be possible to utilize a portion of the allotment in the current year. Pending this decision, the surrender has not been accepted.

4. The estimate for constructing 5 groynes along the right margin of the Koduvayar cannot be sanctioned till the information called for in Memo. No. 3051 C, dated 6th July 1899 is supplied. The additional grant of Rs. 2,000 required for the work has not therefore been provided.

The attention of the Suptg. Engr is especially called to the delay which has occurred in replying to the above quoted memo.

D. W. 21/4/99

NOTE. The reasons for the surrenders enumerated in para 1 of the draft G.O. are given in the remarks column of the application.

2. The additional allotment made in para 2 of the draft order is required to complete the work mentioned.

3. The views of the Presidency Port Officer and the Suptg. Engineer on the proposal to construct groynes in lieu of the proposed pier at Negapatam have been obtained. Certain original papers which were not returned by the Suptg. Engineer have been called for. The question will shortly be submitted for orders.
