No. 2845 Misc., dated 4th September 1899

The Hon. Mr. F. A. Nicholson

Resolution

In reply to Government Official Memorandum No. 276 dated 22nd August 1899 the Board submits that from the replies received from Collectors to para 1 of Board's Proceedings No. 62 dated 2nd March 1899 it appears that besides the clerks and inferior servants of the Deputy Tahsildar's office, Shevaroy Hills, referred to in para 2 of the Proceedings, there is only one officer of the Land Revenue Department in the ordinary tracts of the Presidency who is granted free quarters, viz. the Deputy Tahsildar of Venkata-girikota in the North Arcot District.. From the correspondence printed in Government Order No. 2034 Rev. 14th December '76 it would appear that it was originally intended that a rent of Rs. 2-8-0 or Rs. 3 should be charged in the last mentioned case; but the Collector now reports that the Deputy Tahsildar occupies the building free of rent and that no authority can be traced for the concession.

2. The Collectors of Ganjam and Godavari have furnished lists of Revenue officers in the Agency tracts of their districts who are provided with free quarters. A statement prepared from these lists is submitted for the information of Government.

3. The Board understands that the Collector of the Nilgiris has corrected and returned to Government direct the list forwarded to him with Government Order No. 725 Mis. Rev., dated 17th February 1899

REVENUE DEPARTMENT.

READ—again G.O., No. 91, Revenue, dated 15th February 1897 (*Confidential*).

READ—again G.O., Mis. No. 1945, Revenue, dated 9th April 1897.

ABSTRACT.—Passing orders on the application of the Government Quinologist relative to the preservation of his continuity of service and to his joining his new appointment in Calcutta.

READ—again G.O., Mis. No. 2632, Revenue, dated 22nd May 1897.

ABSTRACT.—Recording letter from the Government of India regarding the appointment of Mr. D. Hooper as Curator, Economic and Art Section, Indian Museum.

READ—also the following letter from F. G. SLY, Esq., C.S., Under-Secretary to the Government of India, Department of Revenue and Agriculture, to the Acting Secretary to the Government of Madras, Revenue Department, dated Simla, the 19th June 1897, No. 1593:—

With reference to the correspondence ending with the Honourable Mr. Stokes' letter Mis. No. 2435, dated 13th May last, I am directed to enclose a copy of a despatch from the Secretary of State for India, No. 80 Revenue, dated 20th May 1897, regarding the appointment of Mr. Standen as Director of the Government Cinchona Plantations, Madras. I am to request that the Government of India may be informed at an early date whether Mr. Standen is willing to accept the appointment on the terms prescribed by the Secretary of State.

2. It will be observed that the Secretary of State has abandoned the suggestion made in his despatch No. 83, dated 16th July 1896, that Mr. Hooper should be placed in charge of the plantations, and I am therefore to say with reference to my endorsement No. 1198—36—2, dated 8th May 1897, that the appointment of Government Quinologist may now be brought under reduction if the Government of Madras think fit.

ENCLOSURE.

Despatch from the Right Honourable the Secretary of State for India, to His Excellency the Right Honourable the Governor-General of India in Council, dated India Office, London, 20th May 1897, No. 80, Revenue.

I have considered the papers received with your Excellency's letter, No. 19 (Revenue), dated the 24th March 1897, regarding the management of the cinchona plantations and factory on the Nilgiri Hills.

2. The Madras Government report that Mr. Standen is the fittest person that can be found for the post of manager, and draw attention to the signal practical success of his management during the past eight months. You concur in the view taken by the Madras Government. I still consider that a knowledge of botany or chemistry, or of both, would have been valuable qualifications for the proper fulfilment of the duties of the post. But, in deference to the views expressed by the Governments of Madras and India, I shall not object to Mr. Standen

being appointed to the post of manager for a term of five years from the date of his first taking charge. His retention in the post after the end of that term will be subject to a full report on the condition and working of the plantation and factory by a competent officer, to be reported by the Government of India some time in the year 1900. If Mr. Standen should be willing to accept the post on these terms, it might then be offered to Mr. G. A. Gammie on the same terms.

3. In the event of Mr. Standen being appointed for a term of five years, I sanction the proposed salary of Rs. 450 rising by annual increments of Rs. 50, with a house. If Mr. Gammie should be appointed, the initial salary should be Rs. 350 a month. Before discussing the important question of the appointment of a Government botanist, I shall await the communication promised in the second paragraph of your letter.

ORDER—No. 547, Revenue, dated 9th July 1897.

Miscellaneous.

Mr. Standen will be requested to report whether he accepts the terms offered by the Secretary of State.

2. With reference to paragraph 2 of the Government of India's letter, the appointment of Government Quinologist will be abolished with effect from the 23rd of 1897. It is observed that the privilege leave granted to Mr. Hooper expired on 2nd May 1897.

3. The attention of the Officiating Superintendent of the Government Museum invited to paragraph 2 of G.O., No. 91, Revenue, dated 15th February 1897, and he is requested to report whether he is yet in a position to submit the information therein called for.
