ORDER. No: 319 W d/ 2.2.99.

In G.O. No. 620 W, dated 9th March, 1898, the Supdg. Engrs, I & III Circles, were requested to submit lists of officers & subordinates of the Public Works Dept. who are considered eligible for the concessions granted in Govt. of India Resolution No. 5047 P, dated 15th November, 1897, to officers employed on duties connected with famine relief. The Supdg. Engineers mentioned have submitted the lists called for, and the period during which each officer and subordinate was employed on famine duty has been checked by the Examiner. His Excellency the Governor in Council considers that the duties on which the officers & subordinates

This list seems to be a somewhat comprehensive one. It would appear from the Revenue note in the linked file that the conditions required by Revenue were stricter than those which Mr. De Winton would require. I should be obliged to Mr. De Winton if he would revise his list by the light of the Revenue note. Uniformity in such a matter as this is desirable.

With reference to His Excellency's rescript dated 29th Decr. 1898, it is submitted that the conditions× observed by the Revenue Dept. were

(ii) that the work must have been unusually arduous.

(iii) that the officer must not have been specially appointed thereto and specially remunerated.

The P.W.D. List only includes the Officers and Upper Subordinates who were actually engaged on famine relief work, and the periods during which they have been so employed have been verified by the Examiner.

The P.W.D. list must necessarily be more comprehensive than the Revenue list; because the execution of work in connection with the famine fell to the former dept.

The Supdg. Engrs. concerned were asked, in submitting their lists of Officers & Subordinates for the famine concessions, to bear in mind that the admissibility of the concessions to any officer depended on

With reference to G.O. No. 620 W. d/ 9th March 1898, I have the honor to submit a list of officers and subordinates employed on relief duty during the late famine, whom I consider deserving of the promised concessions.

Your Office Note No.3502 C dated 9th. instant.

The "Period of employment" has been checked, and the statements are herewith returned, duly corrected, with the following remarks:-

Bellary Division.

Messrs. Clerk (Executive Engineer) Hutton and Gopala Aiyar (Assistant Engineers)

The pay of these officers was claimed in the regular (not Famine) Bills of the Division, but they were employed in the Division throughout the period shewn in the statement.

Cuddapah Division.

Mr. S.B. Murray- Executive Engineer. His pay was claimed in the regular Bill of the Division up to 3rd. October 1897 only, the date of relief in that Division. The concession allowed in para 2 (ii) of India's Resolution No.5047 P dated 15th. November 1897 has already been

granted

Vizagapatam

granted to Mr. Murray in G.O. No. 300 W dated 5th. February 1898.

Mr. A. H. Morin Assistant Engineer Joined on 5th. December 1896, and pay was claimed in Famine Bills up to 3rd. October 1897, after which date he officiated as Executive Engineer and pay was claimed in the regular Bill.

S. Subramania Aiyer Temporary Upper Subordinate His pay was claimed in the Famine Bills from 1st. March 1897 to 31st. October 1897.

Kurnool Division.

Mr. J. H. Stephen's name has been omitted, but the concession of full pay instead of half pay for the first two months of his leave on medical certificate was granted to him in G.O. No. 897 W dated 31st. March 1898.

Mr. J. C. Johnston Executive Engineer Pay claimed in Regular Bill from 12th. March 1897.

Mr. S. A. Subramania Aiyer Executive Engineer The period entered in column "From" viz October 1897 is evidently incorrect as the date of termination of Famine duty is shewn as 9th. September 1897. Probably October 1896 was meant, but the Audit Registers of this Office shews that he assumed charge of the Famine Division on 22nd. March 1897 before noon only. i-e the date he was relieved of the Regular Division by Mr. Johnston.

Messrs.

Messrs. Dennehy and Taylor Sub Engineers. The Audit Register shews that these subordinates were transferred from the Regular to the Famine Division on 22nd. March 1897 only.

S. Siva rama Aiyer Temporary Upper Subordinate The salary audit Register shews that he was employed in the Famine Division up to 7th. November 1897 and not 7th. October 1897 as shewn in the statement.

Ganjam Division.

Messrs de Morgan Executive Engineer and Lacey Assistant Engineer. Were employed in the Division during the periods shewn in statement but pay was claimed in regular Bill.

Sub Conductor Huson. Pay was claimed in Regular Bill up to 30th. April 1897 and from 1st. May 1897 only in Famine Bill.

K. Gopal Iyer Overseer 1st. grade. Was transferred to Famine duty from 1st. June 1897, and pay was claimed in Famine Bills up to 31st. October 1897. It is not clear how the period shewn in statement, viz from 21st. April 1897 to 2nd. October 1897 has been arrived at but if K. Gopal Iyer was really engaged on Famine duty up to 2nd. October 1897 only his period of employment on Famine duty will be less than 5 months.

M. P. Narsimha Iyengar Temporary Upper Subordinate. This subordinate also was transferred to Famine duty from 1st. June 1897.

Vizagapatam

throughout the

Vizagapatam Division.

Mr. P. Roscoe Allen Executive Engineer. Pay claimed in Regular Bill but was employed in the Division for the period shewn.

W apparently means that the I circle list only need be referred locally, & that Mr Stephen's name can be entered in the III circle list in this office. It would be well perhaps to ask the S.E. III circle to give correct information regarding Mr S. A. Subrahmanya Aiyar.
