Telegram from Govt of India 1885 E of 6-12-99

Circulated to H.E. The Governor

Deputation of an officer to Bombay on Famine Duty.

FOR ORDERS.

The Govt of India has reiterated its demand for an officer for famine work in Bombay on the grounds that Madras is more nearly up to strength than other provinces & that the needs of other provinces are more pressing. This demand was first made on 9th Novr., and was forwarded to me in camp for orders. It has miscarried in the post and has not yet reached me. If it had done so at the time I should have strongly recommended the deputation of one officer to help Bombay in her extremity. Since then

Major Ellis, R.E. may be deputed.

the situation in Madras has altered for the worse, & we do not know how bad it may become, but in view of this reiterated demand by the Govt. of India, the justice of which there is no gainsaying, I recommend that the demand be complied with, as we have several officers who can be deputed to relief works if they become necessary in this Presidency and one more or less will make little difference.

2. The officer I propose to depute is Major Ellis R.E., Exec. Engr. 2nd Grade at present in charge of Kistna Northern Division, because.

1) he can be most easily replaced by Mr Khareghat, the Asst. Engr. who has been in charge of the Dn for the past 6 months, while Major Ellis has been acting as Supdg Engr. his absence will therefore dislocate matters less than that of any other officer at present

FOR ORDERS. 2

(2) He is an excellent officer who will do this Presidency credit

(3) he has had no previous famine duty, is in good health & unmarried.

(4) he has passed the lower standard in Hindustani, & will be therefore more able to make himself understood in Bombay than most of our officers.

The only objection to his going is that he wants to go on furlough in April next, & I promised to recommend that he should do so, but I presume his famine duty will be over at latest
