The extension of the period of Mr. Hawkins' deputation under H.H. the Nizam Guaranteed State Railway Co sanctioned in the G.O. quoted will be allowed to stand, it must be clearly understood (1) that any further extension is impossible & (2) that Mr. Hawkins must be recalled at any moment.

Mr. P. Hawkins, Insp.
of the Service - to the
H. & Valley Railway

A draft order cancelling
the permission granted to
Mr. P. Hawkins, as to leave to
remain with the Hyderabad
Godavari Valley Railway
until Feb. 1900 was
sent to H.E. yesterday.
When that order was drafted
it was believed that Mr.
Hawkins could not complete
the work he ~~was~~ engaged in
^{within} that time. For
the demi-official let.
received this morning
would appear that work
is progressing more rapidly
than was expected and
that he will be able to
complete the work by the
14th Feb. Under these

Circumstances the order
granting the extension may
be allowed to stand but
he may be informed
(1) That any further extension
is impossible
(2) That ~~there~~ he may be
recalled at any moment
for famine duty

My dear Clerk
Many thanks for your
letter of 28th just received.
It is some time since I
first suggested my staying on
longer & said he would write &
apply for an extension & I heard
he had applied for an extension
to June because he did not
think this bridge would be
finished until then. Since then
however the work has gone on
fast & I quite anticipate
finishing it completely by the
beginning of February, so the
extension now sanctioned to
28. 12. will just be sufficient.

for me to complete the work.
I think the letter you refer to, to
Spring, was written after Govt
had refused Rosen's first application
who I wrote about last month
that Rose had asked for an
extension of my time which
had been refused & before the
sanction of the extension to
February which I only heard
of a short time ago.

Of course I should wish to do
as Dr. Winton wishes in the
matter but as it is the extension
Dr. Winton has let me have will
just enable me to finish my
work here so I certainly trust
that it will not be necessary
to cancel it & that he will
let me stay on to the 14th Feb.
unless there is any particular
reason why I should not do so.

Yours sincerely
P. Hawkins.
