---

With reference to your endorsement No: 593 dated 11th Sept. 1899 on G.O. no: 2331 of 5th Sept. 1899, ordering the Submission of Plans and estimates for a Court house, I have the honour to suggest that the Consulting Architect maybe asked to prepare the plans, for there is no standard design for a Judge's Court and such work would therefore be more satisfactorily done by a Specialist in architecture.

No. 613/W.

Copy submitted to the Chief Engineer P.W. Department with a request that the design in question may be prepared by the Consulting Architect.

The Executive Engineer will be asked to furnish a site plan and give the results of trial pits as soon as possible.
