THE CLOSE,

24th August 1899

To
The Under Secretary of State for India,
India Office.

Sir,

I have the honour to inform you that I wish the special leave on urgent private affairs, granted to me in P.W. Notification No.29 of 21st March 1899, Government of Madras, commuted into leave on medical certificate and extended for another six months.

2. On receipt of Govt. of Madras Order No.1533 W., dated 14th June 1899, I wrote to the Chief Engineer and Secretary to Government, P.W.D. Madras that "I propose to take the balance of furlough, that is now due to me, by obtaining extensions of leave at 6 mos. at a time on M.C."

3. As I have received no answer I conclude that the Government of Madras has no objection to the extension.

4. I therefore request you will inform me whether, as I am residing at a distance of more than 60 miles from London you will accept a medical certificate from two local medical practitioners

practitioners and, if so, that you will forward me the necessary

forms on which the certificate should be prepared.

5. I should state that the Madras Government have offered me the post of engineer and Municipal Chairman, Ootacamund Municipality.

This I have only agreed to accept under certain conditions concerning which I have not as yet received any reply.

6. In case the Government of Madras may be unwilling to agree to my conditions or in case any cause may arise to prevent my taking up the appointment I would wish to have the leave commuted or extended.

I have, &c.,

Sir,

I am directed to acknowledge the receipt of your letter of the 24th Instant and to inform you in reply that, in the event of your declining the appointment of Engineer and Chairman of the Ootacamund Municipality, and submitting an application for the commutation of your special leave into Furlough on Medical Certificate, such application may be supported by a certificate in the accompanying form, signed by two duly qualified members of the medical profession practising in the neighbourhood in which you reside.

I am to add that, under the terms of your leave and pay certificate, furlough on medical certificate is admissible in your case for one year only.

DEVEREUX HOUSE,
Great Malvern.

Sir,

With reference to the last para. of your No.F.4501 dated 26th August 1899 "under the terms of your leave and pay certificate, furlough on medical certificate is admissible in your case for one year only," I have the honour to state that prior to leaving Madras I understood from the Examiner P.W. Accounts Madras that if my special leave was converted into furlough on medical certificate, I should then be able to take all the furlough that was due to me prior to retirement by obtaining extensions of leave at 6 mos. at a time on medical certificate.

2. In Madras G.O.No.1533 W. dated 14th June 1899 approving my retirement, it is stated that "any furlough now due "under general rules may be taken prior to retirement under "above conditions" and Mr. Paul who is now in England on "special leave will report without delay what action he

proposes

Sir,

I am directed to acknowledge the receipt of your Letter of the 18th Instant, and to acquaint you in reply that as at the time your present leave commenced, you had not rendered three years continuous service since your last return from furlough, your six months' special leave can only be commuted to furlough on Medical certificate for "not more than one year", under Article 343 of the Civil Service Regulations.

The duplicate of your leave and pay certificate is enclosed, for your information.

proposes to take with reference to the telegram read above."

3. To this I replied to the Secretary to Government P.W.D. Madras,

I propose to take the balance of furlough that is now due to me by obtaining extension of leave at 6 months at a time on medical certificate."

4. As I have received no answer to my proposal I concluded that it was accepted by the Government of Madras.

5. I would therefore request to be informed whether this action I have proposed is not admissible under the C.S. Regulations of the Government of India and if not that I may be provided with a copy of the paras. of the C.S.R. in this connection, also what action I should now take so that I may avail myself of the concession under which the option of retirement has been offered to me.

25th October 1899.

To
The Under Secretary of State for India,
India Office, Whitehall.

Sir,

In continuation of my letter dated 15th October 1899,
in which I stated that I was willing to take up the
appointment of Chairman, Ootacamund Municipality, at
Ootacamund in the first week of January, I have the honour
to state that I conclude the Government of Madras has
accepted that date and I have arranged accordingly to proceed
to take up that appointment. I am in some doubt as to what
steps I should now take regarding my retirement from the
Public Works Department.

- i. My special leave expires on November 20th, for the
conversion and extension of this leave into leave on Medical
certificate, I now forward the necessary certificate.
- ii. I should retire from the Madras P.W.D. before I take
up the Municipal appointment.
- iii. Under C.S.R.1015 A. I can draw my pension in England

at

P.W. 4
10269/44

at 1s.9d for the first six months if I reside for a time in

England after taking pension.

I request orders as to when I should retire and whether my pension application should be prepared on my return to India.

My address is, as given above, until 28th instant and after that date, will be the "Close, Tetbury, Gloucestershire".

I am, &c.,

Sir,

I am directed to acknowledge the receipt of your Letter of the 25th Instant, and to acquaint you in reply that your special leave has been commuted to furlough on medical certificate for eight months.

I am to add that your application to retire from the Public Works Department should be submitted to the Authorities in India as soon as practicable, with effect from any date not later than the end of your leave and not earlier than that of your letter on the subject.

In the event of your retiring on pension with effect from a date on which you were residing in this country, and of your subsequently to that date returning to India, you can draw your pension through this Office at the minimum rate of exchange of 1s/9d the rupee up to the expiration of six months from the date of your arrival in India, and thereafter at the official rate of exchange.
