READ—the following paper:—

From J. HANNAN, Esq., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Camp, Duggirala, 9th January 1899, No. 22 W.

I have the honour to inform you that when the old taluk office building at Vinukonda became vacant in June 1898, I addressed the several heads of departments enquiring whether they require it for their use.

2. The Collector in his letter, No. 7007, dated 22nd December 1898 (copy enclosed) recommends that it should be made over for the use of the Local Fund Board and the Forest department. I request you will be good enough to obtain the orders of Government accordingly.

3. The building is not required for use by any of the other departments of Government in the district.

ENCLOSURE.

COPY of the letter from R. MORRIS, Esq., Acting Collector of Kistna, to the Superintending Engineer, II Circle, Bezwađa, dated 22nd December 1898, No. 7007-Gl.

Replying to your letter No. 3093 K., dated 5th October 1898, enquiring if the old taluk office building at Vinukonda should be transferred to the Local Fund Board, I have the honour to say that Government departments have priority over local bodies, nor do I think that the Educational department of Government stands in need of the building. The District Forest-officer reports that the building exclusive of the sub-jail portion will suffice for the range office and range officer's quarters. I therefore recommend that the sub-jail portion be given to the Local Fund Engineer for an Assistant Engineer's office and the rest of the building be made over to the Forest department.

ORDER—No. 334 W., dated 3rd February 1899.

The sub-jail portion of the old taluk office building at Vinukonda will be transferred to the District Board, free of rent, on the condition that it is kept in repair and handed back to Government whenever it is required.

2. The transfer of the rest of the building to the Forest department is sanctioned.

vacant since June 1898,
but no Dept. of Govt. requires
it except the Forest. This
dept. does not want the
sub jail portion of the
buildings and it is pro-
posed to hand over this
portion to the District Board
for use as an Asst. Engineer's
office. These proposals may
be accepted, the District
Board getting its portion
of the building on the usual
conditions.
