SUBJECT.

Submitting plans & Estimates amounting Rs 23,440 for construction of a new road from R. Mount to Py Kura J. post, Coimbatore and

T/ for my early check.

SLD
25/10/99

Since the ground is fairly level the road surface will be laid out. Foundations are provided wherever necessary - and any stone masonry are provided in sections 45-600 and 78-800. Stone masonry culverts 2 1/2' x 2 1/2' are provided to carry away the cross drainage - no stand as - crossing the footpath.

Provision has been made for a compound wall 100 ft long at the back of the stone masonry - also for reconstructing the servants' lines - Stables & Cook House of R. Mount on another site to be decided by the owner.

The details of the work work cannot be checked as none are given - but only total amounts of each description said to be taken from Col and other sheets, not sent with the estimate.

The line of road and the sections appear to have been examined & sanctioned by the Chief Eng.

The rates appear fair for the locality.

The estimate is made up as follows.

Road complete	13830
Reconstructing Servants' lines & Stables	1000
- do - Cook House	600
Land	8010
Total Rs.	23440

may be sanctioned.

With reference to the accompanying estimate of 13 October 1899, it is submitted that there are no funds available at present. The demands will however be kept in view and complied with as early as possible.
