PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from the Collector of the Nilgiris, R.C.No.621 of 1899, dated 22nd September 1899.

The Curator Government Gardens reports to me that he experiences great difficulty in preventing the nuisance caused to the Secretariat clerks by cattle trespassing in the Stone House Park; and he suggests that the Park be made over to Public Works Department. I have ascertained that a Public Works Department officer is permanently resident on the Hill and I believe that the change proposed would be advantageous.

I have the honour therefore to request that the Government will be pleased to accord sanction for the transfer of the management of the Park to the Public Works Department together with the allotment for its up-keep. The Consulting Architect to Government whom I consulted in the matter has no objection to take charge of the Park, if the Government should permit him to do so. The Chief Engineer to Government is also in favour of the proposal.

ORDER thereon Misc.No.4371, Revenue, dated 15th December 1899.

The Collector's proposal to transfer the charge of Stone House Park to the Public Works Department is approved.

2. The advice and assistance of the Curator, Government Gardens will be available to the Public Works Department should any ornamental planting be undertaken.
