NOTE BY TECHNICAL SECTION.

Name of work Supplying new
furniture for the Rest House at
Cudapah. Est. Rs: ¹³⁰~~150~~

This Estimate provides for certain additional furniture for the Cudapah Rest House and is prepared in accordance with the S.E.'s Inspection notes.

2. By the provision of this furniture, the Rest House will be completely furnished for the accommodation of Super-ridge officers, arriving at Cudapah without Camp equipment.

3. There is a mistake in the addition of the items in the Abstract Estimate, the total should be Rs 130 and not 150 as entered.

These two currents are applications for sanction to the supply of furniture for the P.W. rest-houses at Cuddapah and Siruguppa.

It will be seen from the remarks of Sir Henry Stokes flagged ^(bottom pt.) 2, on which L.G. No 833W dated 27.3.93 has been based, that these rest-houses are intended for more shelter and that Officers should put their own camp furniture into them. The L.G. quoted directs that the furnishing of these rest-houses should not be allowed save in very exceptional circumstances.

For orders.

W. for orders. The ~~for~~ value of an inspection lodge is much diminished if there is not a modicum of furniture in it as it enables officers to march more quickly.

Furniture at Siruguppa is very necessary and I believe it to be at Cuddapah. The

Estimates might perhaps be slightly reduced but shd be sanctioned either
by order from H.L.
