SUBJECT.
Office of the Assistant Engineer on Special Duty
Sanjivani
Requesting to sanction the removal of to a private building on a Rent of Rs 40 a month.

I have the honour to report that the Tanjore Division Executive Engineer has given me notice to remove my office to the rooms upstairs of his office building and they are hurrying me. I have privately arranged with the accountant to postpone the removal to the end of this month. The rooms we now, with much huddling and inconvenience, occupy downstairs are 2200 Sq.ft in area while those upstairs are only 1064 Sq.ft. I want accommodation for 25 Seats including myself and Surveyors, draftsmen &c and clerks, and sufficient room for lodging

lodging a number of boxes and
almirahs and a large stock
of Scientific Instruments and
Stationery. The available
accommodation upstairs in
the Executive Engineer's office
building is quite insufficient
for my office.

There is a decent build-
ing in the Mission Street here,
wherein there are 5000 Sq. feet
and more of rooms fit for
office use. The rent is only
Rs 40. per mensem.

Under the circumstances
and there being no other Public
building available in this town
for the purpose, I beg you to
recommend to the Government
and obtain Sanction, under
Code I Chapter VI para
16 (2), to rent that house
and remove my office
to

to it on the 1st proximo.

A. 639 W.

Copy forwarded to the Chief
Engineer, Public works Depart-
ment. I have given orders
for the removal of the Special
office to a private house, rent
Rs 40. per mensem, as the
Executive Engineer cannot
give us the room required
in his office any longer. I
request approval of my
action.
