NOTE. Warm clothing costing Rs.70 for 4 peons in the office of the Executive Engineer, Ganjam Division and 1 overseer's peon was last sanctioned in G.O.

No.2659 W dated 17th September 1896. In the estimate now submitted by the Suptg. Engineer, provision has been made for the purchase of warm clothing (1) for the Executive Engineer's 4 peons and (2) for 4 peons in the Civil Agency Sub Division. Item (1) may be sanctioned. As regards item (2), it is observed that an estimate of Rs.57 for the purchase of warm clothing for the same peons was sanctioned in G.O. No.35 W dated 6th January 1899. The Suptg. Engineer makes no mention of this sanction in his letter.

It is proposed to ask that officer to report whether the clothing was not supplied under the sanction referred to.

2. The Suptg. Engineer states that the cold weather has already set in and requests that the sanction to this application may be communicated by telegram in order to save delay in getting the suits made. Para 3 of the draft order complies with this request.
