from S.D. Peard Esq., Executive Engineer, North

I have the honour to inform you that the  
Vellore Paymaster of Pensions applied to me  
recently to assess rent for part of his office  
which he proposed to occupy as quarters.

Knowing that the Vellore Sub Registrar  
is in urgent need of an office, I declined  
to accede to the Pension Paymaster's request  
before ascertaining whether the rooms in  
question would suit the Sub Registrar.

The question was referred to the District  
Registrar who replies that the rooms are  
very suitable provided they are put into  
good order.

The Pension Paymaster has meanwhile  
understand, got other quarters for himself.

I request therefore that the sanction of  
Govt may be obtained to transfer the area  
marked C.D.E. 7 on the accompanying  
plan to the Registration Department.

Dated, Madras, 12 September 1899

Sir,

The Sub Registry Office at Vellore is, at present, held in a portion of the late Small Cause Court building now occupied by the District Munsiff's Court. On the abolition of the Small Cause Court, two rooms on the ground floor were handed to this department in 1881 for the office of Sub Registrar, and another room was transferred in 1891. Since 1881, Rupees 219-15-0 has been spent by this department on account of alterations and repairs etc to this portion, including Rs.83 paid in 1891 for certain alterations made to the District Munsiff's Court in consequence of the transfer of a room to this department.

2. In February last, the District Judge desired that, as the accommodation available at present for the District Munsiff's Court was found insufficient, the Sub Registry office might be removed to some other Government building, leaving the whole building at the disposal of the District Munsiff's Court. The Executive Engineer of North Arcot, who was addressed on the subject, states that a portion of the Pension Pay-

Pay-Master's office is available for occupation and can be adapted to meet the requirements of a registration office. In these circumstances, I have the honour to request that the Government may be pleased to issue orders for the transfer of the available portion of the Pension Pay-Master's office building to this department and for the preparation of plans and estimates for adapting it for the purposes of the registration office at Vellore.

FROM

Ag. COLLECTOR AND DISTRICT MAGISTRATE,

North Arcot,

To

The Secretary to Government,

Judicial Department,

Madras.

Sir,

With reference to Government Endorsement No. 2369, dated 21st September 1899, I have the honour to state that there is no objection to the proposal of the Inspector-General of Registration being carried out. There is ample room in the building now occupied by the Pension Paymaster's Office at Vellore for the Sub Registrar's Office also. There is an archway which divides the building into two nearly equal portions. If this is built up, one half will suffice for the Pension Paymaster's Office and the other half for the Sub Registrar's Office.

I have the honour to be,

Sir,

Your most obedient servant,

Sir,

I have the honor to inform you that the District Forest Officer has vacated the building in the Vellore Fort and moved into the new office recently completed at Chittoor.

2. I have sanctioned the Executive Engineer's proposal to occupy the vacant building in the Vellore Fort as this arrangement will save the Government Rs 45 a month which is the per now paid for the Executive Engineer's office.

3. The Executive Engineer brings to notice that the Forest Ranger's office is now held in a building in the compound of the old Fort office and that he will require this building for office purposes.
