Sir,

Enclosures.

I have the honour to
submit herewith a revised
proposition statement
for watchmen required
in this Circle for 1898-99
and request that you will
be good enough to obtain
the sanction of Government
in lieu of that given in G. O.
No. 1523 W. dated 18. 6. 98.
2. A watchman at Rs. 5/-
was always sanctioned
for watching the Bungalow
at

own
55/59

at Krishnapuram but it was secured out by the late Superintending Engineer Mr. J. C. Larmier.

3. The Executive Engineer, Kurnool Division explains that a watchman for this building is necessary as it is situated $\frac{3}{4}$ mile away from the Krishnapuram Shores, and therefore the watchman at ^{the} Shores cannot look after the building in addition to ^{the} Shores.

4. Owing to stoppage of work on the Police Office, Kurnool a watchman is required.

5. The delay in submitting the revised Statement is due

due to the want of certain information from the Divisional Officer which was finally received in this Office on the 16th September 98 and to the fact that the papers were mislaid in my Office.

I have the honour to be,
Sir,
