Sir,

In forwarding you with
sketch plan a letter no 629 dated
31st August 1898 from the Overseer
P. W. D at Udumalpet endorsed by
the Sub. Divisional Officer in his
no 1013 dated 1-9-98, I have the
honour to state that I inspected
sites A & B on the 8th instant when
I was informed that the cost of
acquiring site A would be Rs 1339-50
and site B Rs 1375-6-5, the differ-
ence in price being nothing material
but the acreage of site A is 2.26 and
that of site B 1.29, the former being
garden

garden land which is more ex-
pensive than the latter which
is a building site. However the
acreage of the latter is sufficient
for the purpose and I would re-
commend it for a District Mun-
siff's Court in preference to site
A which is close to the Travellers'
Bungalow and P.W.D. rest house
to which buildings it would be
obviously objectionable to have
a District Munsiff's Court located
so near. Moreover the land at
site ^B affords excellent building
soil, being hard clay, from 1' 6"
to 2' 6" from the surface and gravel
below. I would therefore recommend
that steps be taken to have the site
altered from A to B.

Sir,

With reference to G. O. No. 2435. letter to the District Judge giving reasons for preferring site B to site A, and of Mr. Mackenzie's reply acquiescing in the proposed change are herewith submitted for information.

The Executive Engineer objects to site A on the ground that it would be objectionable to have the court so close to the Traveller's Bungalow and the P.W.D. Rest House. The presence of the well on site B, the close proximity of a private house, the smaller compound with the large pit at its southern extremity are all unfavourable features which induce me to prefer site A, but as the District Judge has expressed himself in favour of site B the matter is referred for the orders of Government.
