ORDER—No. 382 W., dated 7th February 1899.

REVENUE.

The budget estimate of revenue for 1898–99 was fixed at Rs. 8,000. The revised estimate has been raised to Rs. 8,400 on consideration of the actuals for the first six months of the year, the difference being due to increase in the revenue realized from sales of produce, and fines, refunds and miscellaneous. The latter amount has also been adopted as the budget estimate for 1899–1900.

EXPENDITURE.

2. The budget estimate of expenditure for 1898–99 was framed for Rs. 42,000. The revised estimate has been increased to Rs. 43,871 by the additional allotments sanctioned during the year.

3. Presidents of District Boards and Superintending Engineers have, in accordance with G.O., No. 525 W., dated 28th February 1893, submitted their budget estimates of works to be carried out by the Public Works Department during 1899–1900 under Incorporated Local Funds. The total demands under Works, Establishment, Tools and plant, as estimated by these officers, amounted to Rs. 32,002, and this sum has been approved by the Local and Municipal Department in the Proceedings quoted above. The President, District Board, Cuddapah, having since reported that no Local Fund estimates are likely to be scrutinised by the Public Works Department during the ensuing year, the provision of Rs. 60 made therefor in the estimate approved by the Local and Municipal Department has been eliminated reducing the estimate from Rs. 32,002 to Rs. 31,942. In order to work out the estimate to round figures the latter sum has been increased to Rs. 32,000, for which amount the budget estimate for 1899–1900 has been prepared.

4. With the above remarks the Preliminary Issue of the Incorporated Local Funds Budget Estimate for 1899–1900 will be printed and circulated to the officers concerned for information and guidance, and four copies will be forwarded to the Government of India, Public Works Department.
