Read—the following paper:—

From the Postmaster-General, Madras, dated 3rd Sept. 1898, No. B.D. 1-1/19037.

Adverting to the sanction conveyed in G.O., No. 307, dated 24th March 1898, for the construction of three departmental buildings for use of the Post offices at Gokavaram, Adatigala and Chodavaram (in the Gódávari district) at a cost of Rs. 1,260, 590 and 590, respectively, I have the honour to forward herewith, for the information of Government, an extract of paragraph 1 of letter No. 1083 G.D., dated 17th August 1898, from the Superintending Engineer, I Circle, together with the enclosures referred to, and to request that, under the circumstances stated therein, the Government will be pleased to accord sanction to the expenditure and to issue instructions for the necessary transfer of funds from the District Post grant for 1898-99 to the Public Works Department.

Order—No. 831, Financial, dated 28th September 1898.

The estimate is approved and will be transferred to the Public Works Department, the sum of Rs. 1,480 being placed at the disposal of that department from the District Post grant for the current year.

(True Extract.)

(Signed) F. J. WILSON,
for Chief Secretary.

From the Superintending Engineer, I Circle, dated 15th November 1898, No. 1735 G.D.
From the Postmaster-General, Madras, dated 6th January 1899, No. B.D. 1-1/34943.
Office-note from the Examiner, P.W. Accounts, dated 6th January 1899, No. 44 B./B.

Note by the Chief Engineer, Public Works Department.

The estimate for constructing a seventh-class Post office and Postmaster's residence at Gokavaram, Gódávari district, is recommended for sanction with the following remarks:—

(1) As the nature of soil is not noted, it is impossible to say whether the foundations are sufficient. This should be looked to during construction.

(2) The flooring should be stone slabs or tiles over the concrete.

(3) An error in the data for "plastering with mortar (one coat) with white-washing" from Rs. 3-9-0 to Rs. 2-9-0 reduces the total of the estimate to Rs. 1,440 after allowance has been made for the flooring ordered in the preceding paragraph.

21st January 1899.

(Signed) W. B. DEWINTON,
Chief Engineer.

Order—No. 427 W., dated 10th February 1899.

The estimate, as altered by the Chief Engineer, for constructing a seventh-class Post office and Postmaster's quarters at Gokavaram, in the Gódávari district, amounts to Rs. 1,440. As the rent calculated on the capital cost of the residential portion of the building exceeds 8 per cent. of the salary of the occupant, sanction of the Government of India will be applied for to the proposed expenditure.

2. The grant of Rs. 1,480 made by the Financial Department will be treated as an addition to the Public Works grant under Provincial Civil works.

The JOINT SECRETARY to the GOVERNMENT of INDIA,

Sir,

I am directed to request the sanction of the Government of India to the construction of a seventh-class Post office and Postmaster's quarters at Gokavaram, in the Gódávari district, at an estimated cost of Rs. 1,440, of which the residential portion absorbs about Rs. 944. The rent calculated on the latter sum, in accordance with Code rules, amounts to Rs. 6-4-0 per mensem, while 8 per cent. of the pay of the occupant is only Rs. 1-3-4.

2. The Postmaster is entitled to free quarters under the rules of the Postal department, and his duties require that he should live close to the office. It is not possible to construct a pucca building within the amount fixed by Code rules, and a temporary structure will require constant repairs and be more costly in the long run.

3. The cost of the work will be met from the grant for District Post under Provincial Funds.
