In replying the above should be quoted.

READ letter from Robert B. Clegg Esquire, I.C.S., Acting Collector and District Magistrate of Salem, dated 6th January 1899, Ref on NO. 375/C.W.

Reference thereon NO. 8, dated 21st January 1899.

The Collector of Salem reports that the two marginally noted anicuts across the Markandeya river near the villages of Marasamudram and Bhimandapalli in the Berikai Estate are in need of repairs which require professional skill and which he is unable to arrange for locally. The Court accordingly requests the sanction of Government for the preparation of the necessary estimates and for the execution of the works by the local officers of the Public Works Department.
