From

The Government Epigraphist,

The Secretary to Government,

P. W. D.

Sir,

With reference to G.O. No 1249, Public
dated 21st September 1897 communicating to
this Office G.O. No 2448 W, dated 3rd September
1897, a detailed statement of the accommo-
dation required for the use of the Epigraphic
Office was forwarded to Government with
my letter No 348, dated 28th September 1897.
On a further representation made by the
Epigraphist in April 1898, regarding the
inadequacy of office accommodation, and

On a consequent request for the raising
of the Office rent, he was informed by S.O.
No 1225, Public, dated 27th September 1898,

2665W
13-10-98

paragraph 3, that he will be provided with
accommodation for his office in the Old Jail
Buildings. On the strength of this S.O. and

with the hope of removing my office to the
Old Jail Buildings from at least the com-
mencement of the next official year, in my

budget for 1899-1900, the allotment against
'Office rent' was surrendered. I have the

honour, therefore, to request to be informed,
whether or not the accommodation asked for

will be available for the use of the Epigra-
phist's Office from the 1st of April 1899,

so that I may, if necessary, represent

the

the matter to Government and reclaim
partially, the Grant under 'Office rent'
for the period until the Jail Buildings
are ready for use.

I have the honour to be, Sir,
your most obedient servant

J.H.

for Epigraphist.
