NOTES.

Reference to P. W. D. Code.

Vol. II, Chapter IV, para. 135 (h).

1. This form should be used by the Executive Engineer in any of the following cases :—

- (a).—When he requires a grant, or an addition to an existing grant, is required for carrying on a sanctioned major work.
- (b).—When he is unable to utilize the grant at his disposal for any work and wishes to resign it, either wholly or in part.
- (c).—When he wishes to utilize the grant for one work upon some other.

2. Either of the columns for "Proposed new grant" or for "Proposed reduction," or both, may be used as required.

3. If it happens that the grant already allowed has been reduced, the entry in the column "Existing grant for the current year" would of course be the amount less such reduction.

4. In the case of Irrigation works, the entries in the column "Departmental and service head" should show distinctly whether the proposed re-appropriation is debitable to Capital or Revenue; and the entries in the column "Works" should be so arranged as to show the project to the Capital or Revenue account of which the charge is debitable, and the class of service to which the charge is debitable, thus :—

PROJECT.

(1).—HEAD WORKS—

(B). Land.

(K). Buildings.

In cases of Productive public works, the fact of their being so should be noted against the entries.

5. It being of the utmost importance that early intimation of possible lapses, or of excesses, in outlay on works should be communicated to the Government, a close watch should be maintained on the progress of all works by executive officers, and this form employed the moment the facts are sufficiently known.

6. Applications for re-appropriations which require the sanction of the Government of India should be submitted by the local Government in duplicate; applications by Executive Engineers should be submitted through the Superintending Engineers of their Circles.

EXPLANATION OF NECESSITY FOR RE-APPROPRIATION.

① Required to cover the expenditure to be incurred during the year the work having been put in hand

JANUARY.

District Munsif's Court at Kanigiri

Estimate of Rs. 15,600 for the construction of a — in the Nellore district, sanctioned, with remarks, for early execution.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Buildings and Roads.
Civil Works.

Read—the following papers :—

G.O., No. 1699, Judicial, dated 3rd November 1898.

Read—the following paper :—

From the Registrar of the High Court of Judicature, Madras, dated 26th October 1898, Dis. No. 1858.

With reference to G.O., No. 851, Judicial, dated 17th June 1897, I am directed to forward, herewith, for the sanction of Government, an estimate for Rs. 15,600 for the construction of a District Munsif's court at Kanigiri in the Nellore district and to request that necessary funds may be allotted so that the work may be taken on hand at once and completed soon.

The court is now located in the Local Fund choultry. The District Judge reports that the President of the Local Fund Board has written to say that serious inconvenience is felt by travellers thereby, and requests that the building may be vacated by the Judicial Department as early as possible.

Order—No. 1699, Judicial, dated 3rd November 1898.

The plans and estimates are approved and will be transferred to the Public Works Department.

(True Extract.)

(Signed) A. R. KNAPP,
for Chief Secretary.

Note by the Chief Engineer, Public Works Department.

The estimate, amounting to Rs. 15,600, for constructing a District Munsif's court at Kanigiri, in the Nellore district, is recommended for the sanction of Government with the following remarks :—

(1) The proposal to carry the roof of the court-room on teak beams is not approved. Rolled steel girders of a section 14" × 6", weighing 46 lb. per foot, should be substituted.

(2) The roof of the record-room should be of jack arches carried on rolled steel joists, instead of terracing with brick on edge over teak joists and beams (*vide* G.O., No. 3163 W., dated 9th December 1898).

(3) Provision should be made for iron racks to the record-room.

18th January 1899.

(Signed) W. B. DEWINTON,
Chief Engineer.

ORDER—No. 199 W., dated 20th January 1899.

The estimate, amounting to Rs. 15,600, for the construction of a District Munsif's court at Kanigiri in the Nellore district, is sanctioned for early execution.

2. The Superintending Engineer, II Circle, will arrange to put the work in hand, and apply for such allotment as can be utilized in the current official year.

3. Attention is drawn to the Chief Engineer's note read above.

4. The sanction accorded in paragraph 1 of these Proceedings has been registered as Provincial No. 106 W. of 1898-99, and classified as Civil Buildings—Original Works.

(True Extract.)

(Signed) W. B. DEWINTON,
Secretary to Government.

To the Superintending Engineer, II Circle, with eight enclosures.
" Examiner, Public Works Accounts.
" Judicial Department.
