Sir,

Having a desire to erect a single telephone line between two stations for 10½ miles in my estate, I applied for the sanction of the Government of India through the Collector of North Arcot Distric and after some correspondence the Collector has informed me in his Dis. No 1514/eng. of 1898 that the Board of Revenu have stated that the proper course for me is to apply to you direct on the subject The Madras Agent of the Oriental Telephone Company to whom I intend entrust ing the work of erecting the line applied to you through the Superintendent of Telegraphs Madras Division and it seems you declined to interfere in the matter on the understanding that I have applie to the Government for sanction on the subject. The copies of all the correspondenc on the subject are herewith send for your

our kind perusal.

I have the honour therefore to request you to be so good as to obtain for me the sanction of the Government of India for erecting the telephone line in question at an early date.
