The domes are daily expected for Observatory & they will cost in position say 10000/-, another 3000/- about, will be required to complete

pw 2/101/99

the building.
Reservation outlay
will be 19000 ——— Balance of Bank 5000
Residence outlay
will be 7000 ——— 3000
Assistants quarters 2800 ——— 1200
6200

But see my letter No. 2471 of 7. 11. 98, wherein it is explained that £334/- can be spent on necessary fittings & fencing.

I would therefore suggest telegraphing (otherwise I cannot spend this £334/- by March 31") to India as under:-

"Can relinquish 6000/-, but suggest early sanction to proposal to expend 3124 & 1210 on fittings & fencing in which case only 2000 can be relinquished"
