This particular case need
 not be taken up as S.S. has
 withdrawn, but I think
 Quammy's interpretation
 is wrong. Special cases
 may be 'general' and need
 not always be individual
 & particular.

As under P.W.D. Code I. IV. II0 --
advances to gazetted officers are only to
be granted in special cases it seems to
me that each application should be dealt
with specially and that therefore a --
general sanction should not be given.
