SIR,

Enclosures.

I have the honor to request that you will be good enough to sanction Sub. Divisional Allowance to Mr. V. S. Sreenivasa Sengar B.A. B.L. from 1st April last to the 15th instant.

2. He was during this time engaged in the performance of duties which may be fairly considered as a Sub Divisional charge.

3. These duties were the supervision of famine works and the preparation of famine projects. He had two or three overseers and as many surveyors under him. He has practically worked out three considerable famine projects and I have now transferred him to my own office to complete the plans and estimates. I hope to have them completed in two months time. The Supervisor was engaged in a most unhealthy part of the Bellary District during the most trying time of the year. and I have found

satisfied myself that he has worked well. I trust therefore that under the circumstances, you will sanction the allowance asked for.

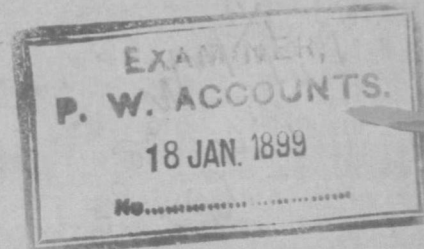

4. As soon as he has completed the estimates for the three projects referred to, I propose giving him a sub division in the Krishna Delta.

I have the honor to be
Sir,
your most obedient servant,

It is for Government to decide in the first instance whether the circumstances brought to notice are sufficient to justify the creation of a temporary sub-division (vide code I.III.64) from 1st: April 1898 to 15th: January 1899, in the Nellore Division- If a sub division is so created and the Superintending -- Engineer intimates that M.R.Ry V.T.Sreeni- vasa Iyengar held charge thereof and --

FOR ORDERS.

The Supty. Ingr., II Circle,
applies for the sanction of
Govt. to the grant of the Sub
Divisional allowance of Rs 30
per mensem to Supervisor V.
T. Sreenivasa Iyengar from
1st April 98 to 15th Jan'y 1899.

The Supervisor was
employed in the supervision
of famine works, and the
preparation of famine projects.
He had 2 or 3 Overseers and
as many Surveyors under
him, and was engaged in
a most unhealthy part of
the Nellore district during
the most trying time of the
year. The Supty. Ingr. thinks
the performance of these duties
may be fairly considered
as

as a Sub Divisional charge.

To enable the Supervisor to draw the allowance, the sanction of Govt. must be obtained to the constitution of a temporary Sub Division from 1.4.98 to 15.1.99, under Vol. I, Chap. III, para 64 of the P.W. Code.

The Supt. Engr. should have made the application long ago, but ^{his quickness to do so} that is not the Supervisor's fault. As the Supt. Engr. seems to deserve the allowance, it is recommended that sanction be accorded to the constitution of a temporary Sub Division for the period mentioned above.

It seems anomalous to sanction a Sub Div. after completion of work. But it might be allowed as a special case, to enable the Supt. to draw the allowance. V.T. Streenewasa Iyengar has recommended
