Note. Under G.O. No. 1036 ^{Public} ^{dated}
4th August 1897, liveries are supplied
to a limited number of Secretariat
pens. Along with these liveries,
belts are also supplied by the
Depd. C.

Supdt. of Stationery, while the
 belts required for other persons not
 entitled to livery are purchased
 from the Jail Department.
 2. The number of persons in the office
 of the Chief Engineer for Irrigation
 to whom the supply of liveries has
 been sanctioned, is 3 inclusive
 of the Daffadar. The Chief Engineer
 for Irrigation, instead of applying
 to the Supdt. of Stationery for a
 laced belt for the Daffadar and
 2 belts for 2 livery persons, first
 indent for 3 ordinary belts, which
 were supplied, and then applied
 for a laced belt for the Daffadar,
 which the Supdt. of Stationery refused
 to comply with.
 3. The Chief Engineer for Irrigation
 now requests sanction of Govt.
 to the supply of the extra ordinary
 belt, in order that the Supdt. of
 Stationery may comply with the
 indent for the laced belt. This sanction
 may be given, as the extra belt can
 be used by one of the persons of the
 office not entitled to livery, and as the
 number of belts which may have to be
 purchased for such persons from the
 Jail Dept. will be diminished by one.

In October last three persons ordinary belts were obtained by this office on indent from the Superintendent of Stationery to replace those rendered unserviceable by fair wear and tear. With reference to a subsequent indent forwarded for a laced belt for the Duffadar, the Superintendent of Stationery points out that under G. O. No 1036 Public of 4th Aug 97 only three belts, one laced for Duffadar and two for each of the two dress persons of this office are admissible.

On

One of the three belts first obtained
should have been got from the Jail
Dept in conformity with P.W. D Cir-
-cular N° 2540C of 19th August 1905, 72/05 7
but it was inadvertently included
in the indent of the Superintendent
of Stationery. Please obtain the
sanction of Govt to the supply of the
extra belt in order that the Stationery
office may comply with the demand
for the laced belt for the Duffada.
