the P. W. Code; an increase pay may be given by local governments when it is desired to reward a deserving Sub Overseer in an economical manner by giving him a small increase of pay in his own grade instead of resorting to the more expensive measure of promoting him to a higher grade.

G. Venkiah has been known to me as a
gunner on works for the last 6 months,
during which time, I have always found
him handworking and intelligent.
He understands his work clearly
& is anxious to pick up technical
knowledge whenever he finds oppor-
-tunity for it. He deserves encour-
-agement & will be of much use to
the Department in his own way

experienced to decide regarding
the necessity of works, although
competent to prepare estimates,
superintend works and also to
