No. 131 I.

Note by the Chief Engineer for Irrigation.

In the letter from the Government of India communicated with G.O., No. 400 I., dated 4th May 1899, it was requested that the Director-General of Telegraphs may be advised early in July of each year of what lines of telegraph along canals are likely to be required during the following year. In his telegram of the 13th instant, the Director-General asked that the information required might be wired to him. The replies received from the Superintending Engineers show that their requirements for 1900–1901 are *nil*. It is suggested that the Director-General by advised be wire accordingly.

(Signed) W. HUGHES,
Chief Engineer for Irrigation.

No. 344

FROM

The DIRECTOR GENERAL of TELEGRAPHS,

To

The SECRETARY to the GOVERNMENT of MADRAS
Public Works Department,

CHIEF ENGINEER FOR IRRIGATION.
31 MAY 1899
No. 111

SIMLA, the 12th of MAY 1899.

Sir,

I have the honour to request the favour of information as to what new telegraph lines, on completion of the lines now in progress, are likely to be required in 1900-1901, in connection with (1) Railways and (2) Canals under the control of the Government of Madras, Public Works Department, Railway and Irrigation Branches respectively.

2. I may mention that provision has been made in the Budget Estimate of the Telegraph Department for 1899-1900 for the partial construction, during the current year, of the telegraph lines along the sections of Railway noted below:-

Madura-Pamban	100 miles.
Coonoor-Ootakamund	12 miles.
Mutupet-Avadyarkoil	45 miles.
Tinnevelly-Quilon	103 miles.
Shoranur-Cochin	64 miles.

Provision has also been made in the same Budget Estimate for the complete construction of the section along the Railway

from

from Negapatam to Nagore 4 miles, and for the completion of the line along the Railway from Calicut to Cannanore 60 miles.

3. As this information is required for the preparation of a statement for submission to the Government of India, in connection with the Home Budget for 1900-1901, I shall be much obliged by your replying on an early date.

I have the honour to be,

Sir,

Your most obedient servant,

Director General of Telegraphs.
