Military Works Department.

Simla, the 27th January 1899.

Memorandum.

The following is forwarded for information and guidance.

2. The necessary correction should also be made in the standard plans of Veterinary Hospitals.
3. Corrections to Appendix M., Bengal Barrack Regulations, will be issued in due course.

[Signature]
Lieut.-Col., R.E.,

for Director-General of Military Works.

No. 3220-M.W., dated 18th November 1898.

From—The Secretary to the Government of India, Military Department,
To—The Director General of Military Works.

In reply to your letter No. 2663-B., dated the 27th September 1898, I am directed to say that, under the circumstances brought to notice, the Government of India sanction the proposal to increase the depth of each standing in Stables of all British mounted corps in India from 12 to 14 feet, the width remaining 8 feet, and to decrease the width of the central passage from 7 to 6 feet.
