No. 44—99 S.-1., dated 21st December 1898.

From—The Director General of the Post Office of India,

To—The Secretary to the Government of India, Finance and Commerce Department.

With reference to Government Resolution No. 2119, dated the 2nd May 1890, a copy of which was received with your letter No. 2765 S. R., dated 2nd July 1892, regarding the manufacture and sale of letter scales by the Postal Workshop at Aligarh, I have the honour to report, for the orders of Government, that in consequence of the revision in the inland letter postage rates from 1st October 1898, as published in Government Notification No. 3979 S. R., dated 9th September 1898, it has been decided that the scales manufactured at the Postal Workshop should in future be provided with the weights noted in the margin instead of those now in use. In consequence of this the cost of manufacture has increased by 2 annas. The price of the letter scales, with sets of tola and ounce weights supplied to other Government Departments requiring them will now therefore be Rs. 6-4-6, inclusive of packing charges but not of carriage.
