Copy of letter from L. L. Wickham Esquire, Esq.
Engineer & Surveyor to the Superintendent
Engineer II circle, dated 27.10.98 No 89

I have the honor to bring to your notice
that owing to the greater number of subordinates
being engaged in the upland taluqs in famine
duty and survey work, sub overseer P. Muthasamy
Mudaliar and G. Venkiah were placed in technical
charge with execution of work. As the sub overseers
were in need of peons, I deputed one of my peons B.
Penchellan to do duty under sub overseer P. Mutha-
samy Mudaliar and one of the sub Divisional
officers of Kandukur peons to do duty under the
sub overseer G. Venkiah as a temporary measure.

The Examiner P. W. Accounts has disallowed
their salaries and requests the sanction of Govern-
ment to sub overseers having peons. The peons were
not specially entertained for the sub overseers
but were deputed to do duty under them as
a temporary measure and as they could be
spared without extra expense to the state.

If you think it under the circumstances -
 stated that the sanction of Government to admit
 of salaries being passed, should be obtained, I have
 the honor to request that such sanction may be
 obtained.

Marginally noted will be found the periods
 for which sanction is sought and amounts of salaries
 disallowed by the Examiner

 Government being obtained to the temporary transfer
 of the 2 men from Division and sub Divisional
 officers to do duty under sub overseers under the
 circumstances explained by the Executive Engineer.
